

June 9, 1942.

Mr. W. A. Leuschner,  
World Building,  
New York City.

Dear Leuschner:

I just received your letter and wish to state my reason for not answering your previous request about June 20th, was due to the fact I had written you and told you I would like to go into East Orange on the 27th. You know we are supposed to play in Newark the 18th and the Park has promised to let me have final word today about the lights. We are then, of course, home on the 21st and I would rather play in East Orange sometime when we have been away a little.

Are you going to send us a confirmation slip for Hartford? Can't we get something for the 19th, that is a Friday and surely some of the Parks are playing.

I suppose I will see you in Chicago this week at the Meeting.

Very truly yours,
